Dear Cory

We are pleased to provide you with the annuity estimate you requested.

A *Retirement Income Options* booklet is enclosed. An annuity is only one retirement income option. This booklet explains the various retirement options available to you as a PEPP member.

SPAF's life annuity gives you guaranteed monthly payments for your lifetime and if applicable, your surviving spouse's lifetime. The amount is determined by the annuity type (joint or single), the survivor benefit and the guarantee option you choose. Once you enter into an annuity, you cannot change the terms of the contract.

Please phone or email us if you have any questions. We have CERTIFIED FINANCIAL PLANNER® and QUALIFIED ASSOCIATE FINANCIAL PLANNER™ professionals who are happy to set up an appointment to discuss your options for free! Let us help you review and compare your options so you make the right decision for you.

Sincerely

PEPP Administration
