Dear Andrea

The Public Employees Pension Plan (PEPP) has received notice of your termination effective November 30, 2022. Now that you are no longer working with your PEPP employer, you have several options for your PEPP account.

The enclosed personalized statement provides up-to-date information about your PEPP account. Please review the information, complete the *Termination options: My choice* form and return it to PEPP. If we do not receive your *Termination options* form within 30 days, we will assume you choose to leave your account invested as it is currently. You may make a decision at any time.

If you wish to remain a member of PEPP, you will continue to be entitled to all of the services associated with the Plan. Did you know as a member of PEPP you continue to have access to:

- lower fees than most retail retirement savings products;
- eight investment funds (aggressive to conservative including a lifecycle fund) and ability to transfer among them;
- the Variable Pension Benefit (VPB)* - our most popular retirement income choice;
- the option to transfer outside eligible registered monies into PEPP to consolidate and simplify;
- online tools - PLANet provides you with your account information and Retire@Ease is your online retirement planning tool. Both are available 24 hours a day, seven days a week; and
- knowledgeable staff to answer calls and emails. We have CERTIFIED FINANCIAL PLANNER® professionals who are happy to set up an appointment to have a conversation with you about your options - for free!

If you have questions or need some clarification about your estimates or options, feel free to contact us.

Sincerely

PEPP Administration

*The Variable Pension Benefit may not be available in some jurisdictions outside Saskatchewan. See "Working Beyond Saskatchewan" on our website for details.
